

OMLTA/AOPLV Presenter Remuneration Spring Conference 2019

Ces renseignements sont disponibles en français sur demande.

The OMLTA/AOPLV is pleased to support workshop presenters by providing financial support to assist in defraying some of the costs associated with presenting. All presenters will receive a free conference registration (a value of up to over \$640.00).

Please note:

- Expenses can be claimed once per conference only, regardless of the number of sessions presented.
- The below remuneration is to be shared in the case of a workshop with multiple presenters.
- Remuneration is only provided to teachers from public and Catholic school boards, as well as private schools; university faculty members, exhibitors, publishers and businesses DO NOT qualify for reimbursement of expenses.

Distance	Remuneration
Speakers within 100 km. of conference site	Complimentary conference registration; parking voucher on the day of your workshop presentation.
Speakers 100+ km. from conference site	Complimentary conference registration; travel expenses (e.g., mileage, hotel expenses, etc.) can be submitted for reimbursement up to a collective maximum total of \$150.00

The OMLTA will not reimburse the cost of occasional teachers. Payment of expenses is always at the discretion of the OMLTA and the maximum payment amount must always be respected.

Presenters must submit all original, detailed receipts with any remuneration claim (e.g., detailed hotel receipt, train ticket, or Google Map or Mapquest printout for mileage). Reimbursements will not be made if proper receipts have not been submitted or if qualifying criteria have not been met.

Thank you for your interest and collaboration.
